

**STATE OF NEW JERSEY
DEPARTMENT OF ENVIRONMENTAL PROTECTION
DAM SAFETY SECTION
PO Box 419
TRENTON, N.J. 08625**

**APPLICATION FOR DAM RESTORATION AND INLAND WATER PROJECT LOANS
(SPRING 2007)**

Under the provisions of the Green Acres, Clean Water, Farmland and Historic Preservation Bond Act of 1992, P.L. 1992 c.88 in accordance with N.J.A.C. 7:24A et seq.

This application form shall be used by all applicants seeking Dam Restoration Loans from the State of New Jersey pursuant to the Green Acres, Clean Water, Farmland and Historic Preservation Bond Act of 1992, P.L. 1992 c.88 and N.J.A.C. 7:24A. The procedures for application, loan award, loan administration and all other program details are prescribed in said rules. Attach all necessary supporting documentation. Please print or type all information.

Pursuant to N.J.A.C. 7:24A-1.1 et seq., we hereby request from the State of New Jersey a Dam Restoration Loan in the amount of \$_____.

PART 1

APPLICANT INFORMATION

Name:
Address:
Person to Contact:
Telephone No.:
Email:

CO-APPLICANT INFORMATION (must be completed if applicant is a private owner or association)

Municipality or County:
Address:
Person to Contact:
Telephone No.:
Email:

PART 2

PROJECT INFORMATION

- **Location of Project** (include name of dam, NJ File No., stream, municipality and county)

Provide a location map, preferably U.S.G.S. Topographical Map, as Attachment 1.

- **Description of Project**

- **Explanation of the need for the project and a discussion of alternatives to the proposed project.**

Provide documentation including directives, inspection reports, plans, pictures, etc. as Attachment 2 to demonstrate need for the project in accordance with N.J.A.C. 7:24A 2-2(a)5.

- **Explanation of how the loan will accomplish the goal of the project.**

PART 3

FINANCIAL INFORMATION

- **Description of the applicant's plans to repay the loan and pay any other expenses necessary to fully complete and implement the project, and steps the applicant has taken or will be taking to implement this plan.**

- **Provide details of proposed financial arrangements for the construction of the project.**

- **Provide an estimation of Construction Costs by unit price for the project. Estimate costs for labor, equipment, material, supplies, overhead and contractors' and consultants' profit margins with supporting background and summary sheets. Also include any other eligible costs (engineering, legal, etc.) in accordance with the Loan Rules, N.J.A.C. 7:24A.**

Provide all supporting background and summary sheets as Attachment 3.

PART 4

OTHER INFORMATION

- **Provide evidence that all required permits have been obtained or that steps have been taken to initiate the permit review process for the required permits in order to demonstrate that the requirements of N.J.A.C. 7:24A-3.2(c) can be met. (List all required permits.)**

Include supporting documents as Attachment 4.

- **Provide evidence that all Federal, State, regional and local agencies with jurisdiction over the project have been notified of the project, including, but not limited to, the appropriate municipal planning board and environmental commission and county planning board and environmental commission. (List all agencies.)**

Include supporting documents as Attachment 5.

- **Provide a brief description of the environmental impact of the proposed project, including the environmental impact on water quality, plant and animal life, project site land characteristics, historical sites and any other pertinent environmental factors.**

- **Provide a proposed construction schedule for the project.** Include as Attachment 6.
- **Attach proof of ownership of the real property on which the project is located, or the capability (easement or property owner's permission) to use that property for undertaking the project.** Include as Attachment 7.
- **Provide a description of the public access to the impoundment created by the dam. Is the impoundment open for general public use? Is the impoundment limited to use by association members only? If general public access is permitted, describe any limitations that may exist to the general public (i.e. fishing only, swimming only, etc.).** Include as Attachment 8.

PART 5

PRIORITY RANKING OF PROJECTS

Assign priority points in accordance with N.J.A.C. 7:24A-5.1. (Attach supporting documents as Attachment 9.)

1. Dam hazard potential classification or project type. (Project types cannot be combined. Separate applications must be submitted for each project type of a multiple type project.)

<u>Project type:</u>	<u>Points</u>
High hazard dam restoration	100
Significant hazard dam restoration	75
Low hazard dam restoration	50

Project type: _____ Points: _____

2. Volume of water stored behind the dam at normal pool.

<u>Storage volume (acre-feet)</u>	<u>Points</u>
Less than 75	1
75 - 199	3
200 - 499	6
500 or greater	9

Storage volume _____ Points _____

3. Height of dam.

<u>Height (feet)</u>	<u>Points</u>
Less than 10	1
10 - 19	3
20 - 39	6
40 or greater	9

Height of dam _____ Points _____

4. Findings of U.S. Army Corps of Engineers Phase I Inspection Report. The color of the cover of the report reflects the findings contained in the report.

<u>Phase I cover (color)</u>	<u>Points</u>
No report prepared	0
Green	0
Yellow	3
White	6
Red	9

Color of Cover _____ Points _____

5. Surface area of water at normal pool created by the dam.

<u>Surface area (acres)</u>	<u>Points</u>
Less than 20	1
20 - 49	3
50 - 149	6
150 or greater	9

Surface area _____ Points _____

6. Assign points according to the use of the dam. A particular dam may be assigned points for more than one use. Circle appropriate item(s) and indicate total points. Supporting documentation must be included in Attachment 8.

	<u>Points</u>
Recreation	1
Municipal Roadway	2
County Roadway	3
Flood control	4
Potable water supply	6

Points _____

PART 6

APPLICANT AUTHORIZATION

This application must be signed by a person authorized by written resolution or ordinance of the local government unit to file an application for a loan under this chapter or to apply as a co-applicant with a private lake association or similar organization or private dam owner, to represent the local government unit in all matters relating to the application process, and to obligate the local government unit to the terms and conditions of a loan award agreement. **A copy of the resolution or ordinance must accompany this application and be included as Attachment 10.**

The application of a private lake association or similar incorporated organization shall be signed by a person authorized by written resolution of the association's or organization's board of directors or governing body to file an application for a loan under this chapter, to represent the private lake association or similar organization in all matters relating to the application process, and to obligate the private lake association or similar organization to the terms and conditions of a loan award agreement. **A copy of the resolution shall accompany the application along with the above mentioned local government resolution and be included as Attachment 11.**

I hereby agree to serve as agent for the applicant and certify that the information furnished on this application and the attachments are true and have been offered in order to induce the Department to award the loan which is the subject of same. I am aware that false swearing is a crime in this State and subject to prosecution.
